

## Father, Pt. 2 (If You're Out There)

Phora

(Father, hope your listening  
Its been a while, I'm still wondering if I'm just...)

Dear father  
If your out there  
I hope your listening  
Sometimes I just feel like I'm in the way of things  
And I have no place in this world, all I really want is some an  
swers  
That's all I ever asked for  
So if you can hear me father  
Hopefully you can give them to me
