

## Foolish

Phora

You ain't gotta say a word,  
you don't gotta tell me how it feels  
when love somebody like me  
you know I can tell your heart  
I'm just tryna make you feel  
The way that I feel.  
Want you kissing my neck, or lay on the back  
no I fighting instead  
and I know I'm a fool for what I put you through  
I don't care but what's going around in the heads  
and I don't mind if you go to run sometimes

Feel like I've been here before, like I've felt this very feeli  
ng before.  
When I try and think of you less I just start feeling it more  
I was just to scared to open the doors wish we could see what's  
in store  
for the future I just can't predict it even after the pain you  
inflicted, I'm still addicted  
My friends say I'm trippen but when I tripped I must have fell  
and when I fell I must have fell for you.  
All my problems I just don't know who to tell them to  
wish I could talk to you but I called your phone and your servi  
ce was unavailable  
you must have changed your number or something got my heart col  
d as a winter  
It's funny cause that summer was coming, that summer was when I  
lost myself  
around July the fireworks were going off but don't know how los  
t I felt  
my guilty conscious always eating at me lord knows regardless o  
f all the things  
we can't be I just wanna see you happy

I know I'm a fool for what I put you through  
I was running from my feelings I was pushing through  
and I know I ain't probably give enough to you  
(yeah) but I just can't take back what I couldn't do

You ain't gotta say a word,  
you don't gotta tell me how it feels  
when love somebody like me  
you know I can tell your heart  
I'm just tryna make you feel  
The way that I feel.  
Want you kissing my neck, or lay on the back  
no I fighting instead  
and I know I'm a fool for what I put you through

I don't care but what's going around in the heads  
and I don't mind if you go to run sometimes
