# La Luna

**Phora**

Let me take you to the moon, baby
Hasta la luna, yo te llevo
You know I love you, yo te quiero
(Baby, damelo, baby, damelo)

(Baby, damelo, baby, damelo)

Yeah, I'll give you the world, everything I own
My lil' baby girl, you mi corazon
I'll show you the stars, take you to the moon
Todo para ti all I need is you
Yeah, baby, dile a la gente que por ti, I'm crazy
Go and tell the world that I'm all about you
Besos en tu cuerpo, that's forever times two (Hahaha)

Hasta la luna, yo te llevo
You know I love you, yo te quiero
(Baby, damelo, baby, damelo)

Baby girl, get away conmigo
Take it slow, baby, despacito
I know you only wanna love somebody
I know you need someone who knows how to treat ya
