

Love Hurts

Phora

Ooh, why love hurts?
Ooh, why love hurts?
Ooh, why love hurts?
Oh, why?

I wish I would've known
Love hurts but we all fallin' eventually, we all fine
No matter how much you love a person, that'll always kill you inside
Maybe I was the crazy one for believin' it was just me
Maybe I was too blind and I fall in too deep
They just wanna see me bleed
Let it go, but I'm still not free
Devil still preying down on me
Like, "Why I always gotta doubt myself?"
Too proud to say, "I need help"
Hating everything about myself, but I

Don't wanna run away
Don't wanna open up
Don't wanna feel no more
I'm not okay
Don't wanna fall in love
Don't think too much
Drugs are the only, I'm numb to the pain

I don't know what to say no more
I don't wanna feel this pain no more
So I drink the bottle 'til it ain't no more
'Cause fuck

I'm still stuck in my past
Know I said too many things that I just can't take back
Now I can't feel anything and my warm heart turned black
Know it's all my fault, everybody knows love don't last
Love never last
And I don't know what love means
Give me one fuckin' reason why I should stay here and not leave?
I ain't too proud to beg you but I drop down on my knees
'Cause I don't wanna feel love but without love, I can't breathe
Why can't you see?

Ooh, why love hurts?
Ooh, why love hurts?
Ooh, why love hurts?

I'm trying to maintain
I can feel the substances, they rushin' through my veins
When your heart turns cold and frozen, nothing feels the same
I don't wanna be alive, don't wanna feel this pain
I'm trying to maintain
I can feel the substances, they rushin' through my veins
When your heart turns cold and frozen, nothing feels the same
I don't wanna be alive, don't wanna feel this pain

Yeah
I don't want love, I'm scared of pain
I need something to heal my pain

I don't want love, I'm scared of pain, yeah
I don't want love, I'm scared of pain (Yeah)
I need something to heal my pain (Yeah)
I don't want love, I'm scared of pain, yeah

Ooh, why love hurts?
Ooh, why love hurts?
Ooh, why love hurts?
Oh, why?
Ooh, why love hurts?
Ooh, why love hurts?
Ooh, why love hurts?
Oh, why?
Ooh, why love hurts?
