Phora

I never know when you  
Who didn't have a heart  
This nine to five he needs to survive  
Just ain't cut it  
Each person has demands  
And is that how it ends?  
Down to the root of my soul I found myself  
Motivated

Yeah

I said I gotta stay motivated, gotta stay focused  
Heard these niggas always hating, hardly ever notice  
Cuz I've been on my grind 24/7 365  
Yeah I get alive, these niggas acting real surprised  
But to me this ain't too strange  
I'm chasing opportunities, y'all chasing the pootang  
Guess that's how it is, see, I've been about my biz  
Ever since I've used to rock them fake laces for shoe strings  
Y'all done got it twisted, man, y'all really need to listen man  
Words from the wise, don't post your money up on Instagram  
Cuz niggas got daughters to feed and there ain't no jobs  
So they jack somebody like you it ain't no prob, shit  
I wish it was different but the world keeps turning  
Even if you ain't living, he wrote a letter to his son  
Saying, he wish he would visit, he just wants a second chance  
But he ain't ever gonna get it  
Cuz he got 97 years, no chance of parole  
No chance of feeling what it's like to be glad to be home  
The D.A. said he'll be forgotten when he pass away  
Never kiss his mother, never see his son graduate  
Now, if you ever saw this man you'll see the hatred in him  
But what they don't see is a certain place within him  
A place in his heart where his son still cares, his mother's still there  
What keeps him going is the motivation in him, the motivation...

I never know when you  
Who didn't have a heart  
This nine to five he needs to survive  
Just ain't cut it  
Each person has demands  
And is that how it ends?  
Down to the root of my soul I found myself
