

On My Way

Phora

Hehe

Yeah, yeah

I'm on my way to you (Yeah)

Don't say you done wit' me, when you ain't done wit' me

I'm on my way to you (Yeah, uh)

'Cause I ain't done wit' you, I'm 'bout to come get you

I'm on my way to you (Yeah)

Don't say you done wit' me, when you ain't done wit' me

I'm on my way to you (Yeah, uh)

'Cause I ain't done wit' you, I'm 'bout to come get you (Aye, yeah)

Too much on my mind, try and get away

Feelings inside, they don't ever change

Just some things I can never say

You be runnin' through my mind, like every day

I've been drinkin' heavy 'cause I'm so lost

Start to think of you when I doze off

Lately I've been really tryna hold on

But I get in my feelings with the slows songs

Everything changed

Know I'm still stuck in my ways

Wish we used to be like back in the day

Before all the fame, and the plaques on the way

Say I switched up, now you actin' away, like wait

I just want you, that's facts

Anythin' to get you back

I was only tryn' put my city on the map

I was gone for a second, but I'm comin' right back

I'm on my way to you

Don't say you done wit' me, when you ain't done wit' me

I'm on my way to you

'Cause I ain't done wit' you, I'm 'bout to come get you (Yeah, yeah)

I'm on my way to you (Yeah)

Don't say you done wit' me, when you ain't done wit' me

I'm on my way to you (Yeah, uh)

'Cause I ain't done wit' you, I'm 'bout to come get you

I'm on my way to you (Yeah)

Don't say you done wit' me, when you ain't done wit' me

I'm on my way to you (Yeah, uh)

'Cause I ain't done wit' you, I'm 'bout to come get you
