

## Picture Perfect

Phora

It's you (It's you)  
Never thought I would've found someone like you (You)  
Thinkin' back to the days I didn't have you (Have you)  
Wish you cared enough to see my point of view  
It's you (You, ooh-ooh)  
It's just you and me, no one in between, treat you like a queen  
My lifeline, you're just like a dream, you're someone that's hard to find  
(You're someone that's hard to find)

'Cause you're picture perfect, girl, you're runnin' through my mind  
(Girl, you're runnin' through my mind)  
I've been searchin' for you all my life  
He don't love you, he just wastes your time (He just wastes your time)  
That can never be me, that can never be me

Yeah  
Reachin' for your love, I can't get enough  
I can't let you go but I won't do too much  
Energy and trust, help me feel the rush  
Girl, it's only us (Yeah)  
He won't ever change, you should walk away  
See it in your face, you just need someone  
Oh-oh

'Cause you're picture perfect, girl, you're runnin' through my mind  
(Girl, you're runnin' through my mind)  
I've been searchin' for you all my life  
He don't love you, he just wastes your time (He just wastes your time)  
That can never be me, that can never be me
