

Ooh, there's somethin' about you  
Got me so addicted  
Got me so addicted  
Yeah  
Ooh, there's somethin' about you  
Got me so addicted  
Got me so addicted  
Ooh, there's somethin' about you  
Got me so addicted  
Got me so addicted  
Yeah  
Uh, yeah, uh

Your love's kind of like a drug, feel it rushin' all through my  
veins  
Addicted to you like my Novocain, love the way that you say my  
name  
From the moment that we fell in love, it's like nothin' ever fe  
lt the same  
Never felt so attached to you, I just wanna come back to you  
We both know and just suffer in silence  
But your eyes glow like the sunrise in an ocean of diamonds  
Even if I travelled all across the world and seen every horizon  
I couldn't find a beauty like yours on the prettiest islands, l  
ike  
What can I say, what can I do to show my attentions have always  
been true?  
Your beauty inside, it's always been you  
So let's get away, and aim for the moon, just me and you  
'Cause nothin' ever goes away that anybody plans  
But I'll show you how to love if you just try to understand

Ooh, there's somethin' about you  
Got me so addicted (Just me and you)  
(Nothin' ever goes away that anybody plans)  
Got me so addicted  
(But I'll show you how to love if you just try to understand)  
Ooh, there's somethin' about you (I'm so addicted, baby, dicted  
, oh-oh)  
Got me so addicted (I'm so addicted, baby, dicted, woah, oh-oh)  
Ooh, there's somethin' about you  
Got me so addicted  
Got me so addicted  
Ooh, there's somethin' about you  
Got me so addicted  
Got me so addicted  
Got me so addicted  
Addicted, got me so addicted
