

Take A Deep Breath

Phora

All I got to say is fuck the terrorist and fuck swag

They tell me take a deep breath
Take a deep breath
I need to take a deep...
Just a deep breath
Take a deep breath
I need to...

Last night I rocked the show they only gave us 8 minutes
But promised us 15 after we sold 70 tickets
What the fuck, they said get off the stage your time is up
At that moment I realized I got used for a couple bucks
I felt like running up and slapping the owner
But they kept telling me to take a deep breath don't lose your [?]
Aye, on the real fuck selling tickets fuck promoters
We do the hard work but they stay back and say you owe us
Ain't no way I'll do it again cause I'll be damned
For you to treat us like a shit and make money off my fans
They came to see us rock a show you acting like a pump us hoe
You cut it short cause all you care about is clock and dough
Man, I'm sick of getting takin' advantage of
Fuck your respect I ain't playing I've had enough
All this bullshit is making me stress
So I think I need to chill out and take a deep breath

Take a deep breath
Take a deep breath
Take a deep breath
I need to take a deep breath
Take a deep breath
Take a deep breath
I need to take a deep breath
Just take a deep breath
Take a deep breath
I need to take a deep breath
Take a deep...
Take a deep breath
They saying take a deep breath
Take a deep breath
Just take a deep breath

Look, I'm sick of being the nice dude
Sick of mothafuckers judging everything I do
Sick of the double crossing two face punking posters
Looking for a young nigga like me to lie too
Just to get some extra pocket change they ask you to sign your name
Homie it's all a game they call it a contract I call it a balling chain
But it's YoursTruly til I'm in my coffin man
I stay true to my fans fuck a record deal
Fuck you swag rappers worrying bout your sex appeal
I'm bringing the hip hop back a nigga with attitude
On the boom back track still use fat caps on a new flat black
I'm painting your city, I'm blowing up you see my people bitch I'm taking them with me
Ain't no way you stopping us and you hating it's obvious
I suggest you step aside and take a deep breath

Take a deep breath
Take a deep breath
I suggest you step aside and take a deep breath
Look, take a deep breath
You need to take a deep breath
Buddy, take a deep breath
Take a deep breath
Take a deep breath
You need to take deep breath
Sir, take a deep...
Take a deep breath
You need to take a deep breath
Sit back relax and take a deep breath
