# Te Necesito

**Phora**

I don't want to hold you back
I don't want to hold you back
Like it when you move like that
Baby, do it just like that
Mami, do it just like that, oh yeah
Oye mi linda, mi chica
Te amo, bonita
I want you, I need you I know
Everything happens for reasons
I need you but that just won't stop you from leaving
I know
I'm on the road, doing these drugs on the low
You say we should take this slow
I don't wanna take this slow
I think I should let you go, oh yeah

Escápate conmigo, baby
You ain't gotta worry, baby
You know that you drive me crazy
You know that you drive me crazy
Yo te necesito, baby
Escápate conmigo, baby
You ain't gotta worry, baby
You know that you drive me crazy
You know that you drive me crazy
Yo te necesito, baby

Baby, yo te necesito
El aroma de tu piel, mi perfume favorito
Si no te tengo siento como que me debilito
Lo nuestro es como los números porque son infinitos, yeah
Quiero otro foto para la colección
Esa no la subí, yo no te di mención
Cuando quemamos nos vamos a otra dimensión
Quien va a negar que entre nosotros existe conexión
Si mujeres hay demás
Pero tienes que entender que ya todo está de más
Si ninguna puede darme ese amor que tu me das
Pensemos en futuro, dejemos el pasado atrás
Escápate conmigo, baby
Yo te necesito, baby
Si sabes que me tienes crazy
Te quiero encima de mi

Escápate conmigo, baby
You ain't gotta worry, baby
You know that you drive me crazy
You know that you drive me crazy
Yo te necesito, baby
Escápate conmigo, baby
You ain't gotta worry, baby
You know that you drive me crazy
You know that you drive me crazy
Yo te necesito, baby

You say that I drive you crazy
But you never come home early

You been hiding something lately
Maybe you just got another baby
Dices que me necesitas
But you pay attention when you want me to please ya
Not a lot of guys that treat me like a señorita
I really love you but I gotta leave ya
You say you wanna try, but I know that's a lie
Why you wanna Lambo if you don't know how to drive, yeah
It's too late to cry, demasiado fire
I'm too much for you so I just better say bye
You say you wanna try, but I know that's a lie
Why you wanna Lambo if you don't know how to drive, yeah
It's too late to cry, demasiado fire
I'm too much for you so I just better say bye

Escápate conmigo, baby
You ain't gotta worry, baby
You know that you drive me crazy
You know that you drive me crazy
Yo te necesito, baby
Escápate conmigo, baby
You ain't gotta worry, baby
You know that you drive me crazy
You know that you drive me crazy
Yo te necesito, baby
