

# The Way We Are

Phora

She don't need a man dawg, all she need is company  
Acting like she don't wanna fuck with me  
And she hit me up when I least expect that shit  
Now she over here asking what's up with me  
I told her same old thang, same old thang  
But I can't chase no broads and play no games  
Cause all I know is that I can't be the one for you  
Be there when you're lonely girl cause all you do is use these niggas  
And she bad, but she ain't no good for me  
I love when you say you got a thing for the boy, but I hate when you give th  
at look to me  
Cause I know, baby I know what you're saying without even saying it  
This feelin' you feeling now  
Girl their ain't no replacing it  
So show me it's real  
Trust no soul  
Yeah I know how your feel  
You ain't no good, but I need your ass so bad  
Shit, I just hope that it's real

I guess it's just the way that we are  
We run so hard but we don't get far  
I'm broken but you're the one that can piece me together  
But we know we ain't ours

We ain't ours

I know you hope that it's real. But what's real ain't paying  
I can't be the one for you, but I'll still come through cause my love ain't  
patient  
See I can't go back to that thinking, cause that's the thinking that got me  
fucked up and needing ya  
How come it's easy to be what I am  
Than tell you what is on my chest, but all I can  
Say is, you and I are on the same page ,in the same book, got a different fa  
ce. It don't make sense, but you'll understand  
Do you have a good intention or another bad vibe  
You are not a bad guy, just got a little bad side  
Try to see from my eyes  
You just want me for the idea  
And even though I'm everything that you fear  
You can do the math and see a dime's cheap, you'll still wanna buy her every  
thing dear  
Maybe it's a stretch but you got that thing about you  
Pain is the thing that I see around you  
Knowing what the price of this here is I don't wanna chance what I got to ap  
pear I found it  
Lost into you and I'm down for a change  
But it's hard to be all for only you  
I'm out for mine and you out for me  
We all we got and gotta lose

I guess it's just the way that we are  
We run so hard but we don't get far  
I'm broken but you're the one that can piece me together  
But we know we ain't ours

We ain't ours
