

Heaven, Sittin' Down

Phosphorescent

Oh, I wish I was in heaven sitting down
I wish this road we were taking
wasn't made for breaking down
I wish these nights of pleasure and days of pain
weren't so tightly bound
and I wish I was in heaven sitting down.

They done kept me out here on this road so long
all the way back home she finally said "so long"
I tried to call her on some old telephone
but she's not around.
And I wish I was in heaven sitting down.

Oh, I wish I was in heaven sitting down
I wish this road we were taking
wasn't made for breaking down
I wish these nights of pleasure and these days of pain
weren't so tightly bound
and I wish I was in heaven sitting down.

I been out here so long, baby, my back and my shoulder
they're tired.
And my mind the sound has found itself so wide
but the wheels on this old thing, they keep turning round and r
ound
and I wish I was in heaven sitting down

Oh, I wish I was in heaven sitting down
I wish this road we were taking
wasn't made for breaking down
I wish these nights of pleasure and these days of pain
weren't so tightly bound
and I wish I was in heaven sitting down.
oh, I wish I was in heaven sitting down.
Oh, I wish I was in heaven sitting down.
