

# O Canada

Phosphorescent

O Canada  
Our home and native land  
True patriot love  
In all of us command

With glowing hearts we see thee rise  
The true north strong and free  
From far and wide O Canada  
We stand on guard for thee

God, keep our land  
Glorious and free  
O Canada  
We stand on guard for thee  
O Canada  
We stand on guard for thee
