

## These Rocks

Phosphorescent

These rocks, they are heavy  
Been carrying em around all my days  
These rocks, they are heavy  
I been carrying em around anyways  
These rocks they are heavy  
Been carrying em around all my days  
These rocks, they are heavy  
I guess I wouldn't have it any other way

I was drunk for a decade  
Been thinkin of puttin that stuff away  
I was drunk for a decade  
Been thinkin of puttin that stuff away  
I stayed drunk for a decade  
Been thinkin of puttin that stuff away  
I was drunk for a decade  
Been considering puttin that stuff away

These rocks, they are heavy  
Been carrying em around all my days  
These rocks, they are heavy  
I been carrying em around anyways  
These rocks, they are heavy  
Been carrying em around all my days  
These rocks, they are heavy  
I guess I wouldn't have it any other way
