Feelin' like Papi when he sell a kilo
Jordan when he hit the jumper on Ehlo
I do my thing, might kick out on a Lilo, Stitch
Snitches get stitches for real
If you knew better you'd keep your mouth sealed
Bitch give me face while I'm steering the wheel
Wait 'til she find out I ain't got a deal, oh no
That beat goes on but I ain't Sonny Bono
Sexting each other like I'm making a porno
Girl in the place and I feel like I'm Romo
Pretty [?] bitches be giving me coño
Look to her left, she was sucking a dude
Stepped in the [?] looking impeccable
Phenomenal far from regular dude
Time money, don't got a second to lose
I bet you wish you was me, wooh
I bet you wish you was me, you
Just let me be, what could it be
Cause you fallin' off significantly
Keep it [?] while whipping the V
Love me or hate me, no difference to me
That shit why [?] she listen to me
Suck me or fuck me, no difference to me
Goddamn, as long I come bitch
How you get it [?] dick and bubblegum bitch
Shawty said it ain't tricking if you got it
You're damn right, but I ain't the one bitch
On to the next nigga, 'cause I'm on to the next bitch
I'm the wrong one to mess with
Drop bands on a necklace
Cause I'm young, restless, and reckless
