

# Make It Make Sense "M.I.M.S"

PHresher

Yea  
Yea yea yea

Make it make sense  
We never come out the game while theses niggas play on the bench  
Make it make sense  
You put your bitch in a Uber  
And I put your bitch in a bent (ley)  
Make it make sense  
These niggas claiming they see me but how can they see through these tents  
Make it make sense  
I said what I said, and on everything I meant what I meant  
Make it make sense

I know real ones Sandbox  
Held it down for real  
Mean while fuck niggas snake shit its sad for real  
Lil bitch ass fat waist snatch  
She bad for real  
It don't make sense my nigga  
Since when do they made em like this  
Make it make sense

What... she her nigga a dub  
She said she tired of the broke niggas... she wanna tear up the club  
She wanna aazul... I thinking we might need a room  
She wanna ski on the white girl... I was like Bitch zoom

Speed it up these niggas can not compete with us... she want the dick tell her eat it up  
Inferno on fire I'm wired I domt need no lighter these niggas just heating up  
I brought the hellcat yeah I brought the demon out guess that's the monster they see in us  
I'm riding while hollering Yolo whole these niggas out here they teaming up

Teaming up what do they see inn us  
Ain't no social media, I don't do shit for the gram  
Ya man is a Stan really fan of music... I'm blacking these niggas like spam  
My shit jumping straight out thr Pan  
Ya bitch say my shit is her jam  
I throw the money up couple of bands and let that shit land where it land

Make it make sense  
We never come out the game while theses niggas play on the bench  
Make it make sense  
You put your bitch in a Uber  
And I put your bitch in a bent (ley)  
Make it make sense  
These niggas claiming they see me but how can they see through these tents  
Make it make sense

Held it down for real  
Mean while fuck niggas snake shit its sad for real

Lil bitch ass fat waist snatch  
She bad for real  
It don't make sense my nigga  
Since when do they made em like this  
Make it make sense

Got a bad bitch ridin shottie  
Couple more bitches waitin for me in the lobby  
Told er pick er fave she said she got me  
Come Boogie with a nigga don't worry bout da money uh copy  
Broads on da set  
Simon says do what I say so  
Always on high key never lay low  
Hit accountant for some stack of dah pesos  
Rich nigga lingo  
I'm just sayin Push a horse like I'm django  
Shorty clean da pipe like she draino  
Bitch can't get no ring I ain't thanos

Yea this that fly out... everybody can't go  
Passport stamped up... Louie luggage let's go

Told the bitch let's just get out of here  
Fly in for one day and next day we outta here  
Yea Keep my drip opposite of what got us here  
Fuck being plane everything out this stratosphere

Ain't nothing up for discussion  
At first it was ugly but now it's disgusting  
I fuck her don't love her leave that for her husband  
I beat up that pussy like playing percussion

Make it make sense  
We never come out the game while theses niggas play on the bench  
Make it make sense  
You put your bitch in a Uber  
And I put your bitch in a bent (ley)  
Make it make sense  
These niggas claiming they see me but how can they see through these tents  
Make it make sense
