Only want to fuck me 'cause I'm on the radio
Only love me 'cause I'm on the radio
Y'all be hating 'cause I'm on the radio
Volume up please when I'm on the radio

Heard my song on the radio, now things changed
All these women want to drain a main vein
I can't trust these hoes, just my main thing
All this cash money, rockin' bling bling
I'm just livin' life and tryna maintain
You know that I ride with the same gang
You can't sit with us 'cause it's a gang thing
Call my shotty pops 'cause it go bang bang
Don't get your head knocked off, head knocked off
I'm what you call a top dog, a top dog
I go all in for my squad, that's my squad
No sucker shit on my watch, while I watch

Only want to fuck me 'cause I'm on the radio
Only love me 'cause I'm on the radio
Y'all be hating 'cause I'm on the radio
Volume up please when I'm on the radio
Only want to fuck me 'cause I'm on the radio
Only love me 'cause I'm on the radio
Y'all be hating 'cause I'm on the radio
Volume up please when I'm on the radio, yeah
