

She said slow down it's too big
My crib like two cribs, your crib like the crib
Dick all in her ribs make her slurp the kids
Slap bitch, slap, slap, slap
It's a hoe down, shake that shit, yea yea
Way she slurped the kids she don't need no bib, yea
The way she ride the dick make me snatch her wig, yea
Slap bitch, slap, slap, slap

Turn that ass around, let daddy see something
You keep saying you a freak lets have a threesome
I don't even know your name I think it's t something
Fuck it, dick all around your lips it's time to babysit, yea
Shit take all this DNA
Ain't even talking to babe cause I gotta concentrate
Bitch done made my day
I don't even mind the pay
Don't come in here acting up
Because you got a role to play
Little bitch

She said slow down it's too big
My crib like two cribs, your crib like the crib
Dick all in her ribs make her slurp the kids
Slap bitch, slap, slap, slap
It's a hoe down, shake that shit, yea yea
Way she slurped the kids she don't need no bib, yea
The way she ride the dick make me snatch her wig, yea
Slap bitch, slap, slap, slap

You talking a lot we fucking or not I ain't got no no time for tease
She go to college give head like scholar I swear that girl got a degree
Half of the time theses bitches be local but I fuck with them overseas
Money don't grow on trees but they rake them up like leafs
Short in love with the dick, ain't falling in love with no bitch
Fucking her pussy my thumb in her ass she yelling my government
And that don't even make no sense if she like it I love it
I smack it I grab it I rub it
She take it ain't nothing above it theses bitches be bugging shit ain't about nothing

She said slow down it's too big
My crib like two cribs, your crib like the crib
Dick all in her ribs make her slurp the kids
Slap bitch, slap, slap, slap
It's a hoe down, shake that shit, yea yea
Way she slurped the kids she don't need no bib, yea
The way she ride the dick make me snatch her wig, yea
Slap bitch, slap, slap, slap
