PHresher

Wait, wait  
Wait, wait  
Wait, wait  
Wait, wait

Wait, wait, wait a minute  
Wait, wait, wait a minute  
One goddamn minute  
Hold up, wait a minute  
Start shit then I finish  
Hard head, I don't listen  
Diamonds on my wrist glisten  
Nigga like a future menace  
Wait a minute, wait a minute  
Wait, wait, wait a minute  
Wait a minute, wait a minute  
Wait, wait, wait a minute  
Start shit then I finish  
Hard head, I don't listen  
Diamonds on my wrist glisten  
Nigga like a future menace

Big head, Jimmy Neutron  
Fuck a bitch on a futon  
Don't save her she don't wanna be saved  
Nigga this ain't groupon  
Do my dirty by my lonely  
All my bitches know we homies  
If I pull up with my bitch  
Hoes better act like they don't know me  
All my side bitches in check  
Diamonds clear like windex  
One point' at your index  
Throw your ass like an insect  
So you better be cool  
Shawty better be new  
When I walk in the room  
She know she fuckin' with a goon  
I get em in at the same time  
My third leg got hang time  
Bang bang bang time  
Game face when it's game time  
VA be the score-o  
Got her screamin' like a whore-o  
She keep beggin' me to stop  
But she really want more though  
Dirty soda got addictive  
But the dick so addictive  
I mean how could you blame her  
Her head dumb like kramer

Wait, wait, wait a minute  
Wait, wait, wait a minute  
One goddamn minute  
Hold up, wait a minute  
Start shit then I finish  
Hard head, I don't listen

Diamonds on my wrist glisten  
Nigga like a future menace  
Wait a minute, wait a minute  
Wait, wait, wait a minute  
Wait a minute, wait a minute  
Wait, wait, wait a minute  
Start shit then I finish  
Hard head, I don't listen  
Diamonds on my wrist glisten  
Nigga like a future menace

All my jewelry expensive  
All my windows ain't tinted  
You gon' see who up in it  
I might candy grey bentley  
I might buick my century  
I'll erase your whole memory  
I might ruin you Wednesday  
I'mma erase your identity  
Damn, I might just hop in sedan (damn! )  
I might pull off in the lamb  
I might just go on vacation  
All of my syrup ain't maple  
I might just syrup my sprite  
I might just bobby my night  
I might just sip on some purple  
I might just sniff on some white  
Catchin' plays Jared Rice  
All my shooters Mark Price  
Shootin', jumpin', Glen Rice  
Dan Marino, Miami  
Trip to Hawaii to tan me  
Can't nobody stand me  
Promethazine in my pantry  
Nah, bitch I need a grammy  
RiFF!

Wait, wait, wait a minute  
Wait, wait, wait a minute  
One goddamn minute  
Hold up, wait a minute  
Start shit then I finish  
Hard head, I don't listen  
Diamonds on my wrist glisten  
Nigga like a future menace  
Wait a minute, wait a minute  
Wait, wait, wait a minute  
Wait a minute, wait a minute  
Wait, wait, wait a minute  
Start shit then I finish  
Hard head, I don't listen  
Diamonds on my wrist glisten  
Nigga like a future menace
