Adore

Phum Viphurit

The clouds are changing
The storm, she's coming, quick hide
But who needs the shelter
When you are by my side

You had me at hello
You caught me by surprise
Oh how I lost my senses
When I met those hazel eyes

Woah...
Oh what a shame, we are parting ways
In a time set for us two
But if you should ask me
Do I adore you?
I think you know I do

I think you know I do-dodo-do-do-doo
I do-dodo-dodo-do-doo
I do-dodo-do-do-doo
Do-do-do-dooo
You know I do-dodo-dodo-doo
I do-dodo-dodo-do-doo
I do-dodo-do-do-doo do-do-do-doo

I'd build you castles and endless daisy chains
Mend all that's broken, for you love I will regain
(For your love, I will regain...)

Oh what a shame, we are parting ways
In a time set for us two
But if you should ask me
Do I adore you
I think you know I do

I think you know I do-dodo-do-do-doo
I do-dodo-dodo-do-doo
I do-dodo-do-do-doo
Do-do-do-dooo
You know I do-dodo-dodo-doo
I do-dodo-dodo-do-doo
I do-dodo-do-do-doo do-do-do-doo

This wind is cold
Our love is old
Do you remember?
Remember me

Oh what a shame, we are parting ways
In a time set for us two
But if you should ask me
Do I adore you
I think you know I

I think you know I
Oh what a shame, we are parting ways
In a time set for us two

But if you should ask me
Do I adore you
I think you know I do

I think you know I do-dodo-do-do-doo
I do-dodo-dodo-do-doo
I do-dodo-do-do-doo
Do-do-do-dooo
You know I do-dodo-dodo-doo
I do-dodo-dodo-do-doo
I do-dodo-do-do-doo do-do-do-doo
Hoo...
