

Hello, Anxiety

Phum Viphurit

Hello, Anxiety
You've come to keep me company
Tonight, a lonely soul
I've tried to learn the art of letting go

I'm craving something real
A kind of rush that I can feel
The night is rough you know
I've cried but I won't dare to let it show

What if the world won't bend my way?
What will it take to be happy?

Heaven knows you're lost
But you'll be fine, you'll be fine
Heaven knows we're lost
But the sun still shines, so we'll be fine

Hello, Anxiety
It's time we part, I need to sleep
I'm fine with counting sheep

You'll be fine
We'll be fine
You'll be fine
We'll be fine
You'll be fine
We'll be fine
You'll be fine
We'll be fine

Heaven knows you're lost
But you'll be fine, you'll be fine
Heaven knows we're lost
But the sun still shines, so we'll be fine
