Phum Viphurit

Chengdu in the house
□□□ in the house
LA in the house
And the Boston in the house
□□ in the house
□□ □□ in the house
We got Thailand in the house
And London in the house

Wanderin' the streets all through the night
Searchin' for the one to make me right
Wonderin' if she's the shade of you
And if so, should I try to see it through?

Darlin', I got my trust issues
Warning, you stay away
If we meet at the rendezvous
Take me away, Sunray
Darlin', I got my trust issues
Warning, you stay away
If we meet at the rendezvous
Take me away, Sunray
