

Pluto

Phum Viphurit

Write me a letter
And read me your poem
Send all that's loving
Keep me warm

Float in your space
You rest in your orbit
Yeah, I'll be up, dear
I am just building my rocket
Ah-ooh-ooh-ooh

Time, please be kind
Time, please rewind
Time, I would buy
But it's time for goodbye, ah-oh-oh

I've been smoking
An innocent flower
To mend what's been broken
My hallucinations I will see, yeah

My mind is spiraling
Disarrayed and violent
It's true, I am lost

Yeah, this is your verse
I'll miss you, forever, mmh
Our song is ending
My voice, please remember
Ah-oh-oh-oh

Time, please be kind
Time, please rewind
Time, I would buy
But it's time for goodbye, ah-oh-oh
Time, please be kind
Time, please rewind
Time, I would buy
But it's time for goodbye, ah-oh-oh
