

## Deliver The Love

Phyllis Hyman

Time keeps running, fleeing out my door  
Till there's no more  
And I've been waiting, aching for your call  
But you won't call

You say this is love  
But you just can't do that to me  
Unhappy I won't be

Show me how life is suppose to be  
Fresh and free  
And give me something more than memories  
And broken dreams

Deliver the love  
You said you knew would set me free  
So lonely I won't be

If this is love,  
What happened to the newness that we felt  
Since when this love  
Deny one of the joys of happiness  
No more promises to give

My heart is bleeding  
Needing something more than before  
And now life's answers with an open door

With you in store

Deliver the love  
That only you can give to me  
So happy I can be, so happy I can be  
So happy, oh, so happy I can be

If this is love  
What happened to the newness that we felt  
Since when this love  
Deny one of the joys of happiness  
No more promises to give, to give

My heart is bleeding  
Needing something more than before  
And now life's answers with an open door  
With you in store

Deliver the love  
That only you can give to me  
So happy I can be, so happy I'm gonna be  
So happy, oh, so happy I can be  
Oh-ohh

Deliver the love  
Deliver the lo-o-o-ove  
Whoa-ohh, deliver the love  
Ooh, ooh, ooh
