

# Hold On

Phyllis Hyman

Hold on, hold on  
Hold on, hold on  
Hold on, hold on  
Hold on, hold on

Ohhhh, oh-ohhhhhh, oh, ohhh  
Ohhh, whoa

I woke up this morning and you were on my mind  
What you told me was just some simple lines  
Things will be much better  
Set your mind at ease  
Love and understading are just some other keys

If you just hold on,  
Your burden will be lighter [Lighter]  
Hold on  
Your days will be much brighter [Brighter]

Ain't no use in crying, tears won't solve a thing  
Got to keep on trying to mend your broken wings  
Searching for an answer  
Feelings that uphill climb  
But nothing where you're going will stand the test of time

If you just hold on,  
Your burden will be lighter [Lighter]  
Hold on,  
Your days will be much brighter [Brighter]

Hold on, hold on  
Hold on, hold on  
Hold on, hold on  
Hold on, hold on  
(2x)

Hold on  
Your burden will e lighter [Lighter]  
Hold on  
Your days will be much brighter [Brighter]

Hold on, hold on, hold on  
Hold on to the feeling [Never let it go]  
Ooh [Hold on, hold on to the feeling]  
Hold on [Hold on, never let it go]  
I want you to hold on, baby [Hold on to the feeling]  
Hold on to the feeling, uh-uh [Never let it go]  
[Hold on, hold on to the feeling]  
[Hold on never let it go]  
[Hold on, hold on to the feeling]  
[Hold on, never let it go]  
[Hold on, hold on to the feeling]  
[Hold on, never let it go]  
No-no-no, no, no-no-no-no, uh-uh  
Ooh [Hold on, never let it go]  
Come on, take my hand, I'll keep you steady, hold on  
[Hold on, never let it go]

Ooo.ooo... [Hold on, hold on to the feeling]  
Ooh! Hey, hey [Hold on, never let it go]  
Ohhh...
