

Just Twenty Five Miles To Anywhere

Phyllis Hyman

There's a town that has no name
Has no fortune has no fame
Lonely people pass this way
Just twenty-five miles to anywhere
You don't have to be afraid
This is where true love is made
Would you like to spend a day
Just twenty-five miles to anywhere
It's place where dreamers go
There is no pain
And no sorrows
Every day is filled joy
For every girl
And every boy
I'll take you there
I'll take you there
When you're heart is on the line
And you lose your place in time
You can find your peace of mind
Just twenty-five miles to anywhere
Anywhere
Anywhere
Anywhere
