

So Strange

Phyllis Hyman

So strange this feelin' that I'm feelin'
Everytime I'm holdin' you
So untamed this smooth sensation
Comin' at me from you, hey baby, baby, yeah

Your love has me hypnotize
Got me under your spell
I hope you realize that it's you
And nobody else

I don't know if the power
That you seem to possess
If it brings out the worst in me
Or the best

So strange this feelin' that I'm feelin'
Everytime I'm holdin' you
So untamed this smooth sensation
Comin' at me from you, hey baby, baby, yeah

I'm burnin' up inside
Never felt like this before
Everything that I'm feelin' inside
You control, hey

The thought of you near me
At such great effects
I'm callin' you away from love
And I can't see or hear nothing else

So strange this feelin' that I'm feelin'
Everytime I'm holdin' you
So untamed this smooth sensation
Comin' at me from you, hey baby, baby
So strange

So strange this feelin' that I'm feelin'
Everytime I'm holdin' you
So untamed this smooth sensation
Comin' at me from you

So strange this feelin' that I'm feelin'
Everytime I'm holdin' you
So untamed this new sensation
Comin' at me from you

So strange when I'm next to you
Your love has got me hypnotize
I can't stand that feelin', yeah
I can't stand that, I can't stand that
Don't know what you're doin' to me, baby, no, no
