

# Eyes On Dem

Phyno

Eyes on them  
Don't put your eyes off them  
And when they gang on them  
Don't put your hands on them  
Can't trust them  
That's why I run from them  
Fly and I land on them  
God put your hands on them

I go Dey ride my wave  
I no follow any man way  
Clap for another man grace  
But No run another man race  
U knw Life's 2 short  
No follow wetin dem talk  
U fit wrong me one day  
But I wish you many more years  
Can't complain  
Many shit that I can't contain  
All my life I don face my pain  
Now I just wan Dey pop champagne  
I don put in many hour o  
I want the money and power  
Ka nwoke bie nu ndu Lao lao  
Another day another dollar

Eyes on them  
Don't put your eyes off them  
And when they gang on them  
Don't put your hands on them  
Can't trust them  
That's why I run from them  
Fly and I land on them  
God put your hands on them

Can't trust them  
That's why I run from them  
Fly and I land on them  
God put your hands on them
