

# Underneath

Pia Mia

Oh, you all over me, all over me, baby, you all over me  
500 degrees, 500 degrees, you hot as 500 degrees  
You all over me, all over me, baby, you all over me  
You all over me, all over me

My baby's underneath  
Underneath the sheets  
Underneath the sheets, underneath the sheets  
Underneath the sheets, ooh woah  
Now you're dripping on me  
Dripping on me underneath the sheets  
Now you're loving on me  
Loving on me underneath the sheets  
Now you're dripping on me  
Dripping on me underneath the sheets  
Now you're loving on me  
Loving on me, underneath the sheets, woah

He mobbing with me, mobbing with me  
Baby, he mobbing with me  
600 degrees, 600 degrees, hot like 600 degrees  
All over me, baby, he's all over me, all over me
