

Say You Won't Let Go

Pia Toscano

I met you in the dark, you lit me up
You made me feel as though, I was enough
We danced the night away, we drank too much
I held your hair back when, we were never giving up

Then you smiled over your shoulder
For a minute I was stone-cold sober
I pulled you closer to my chest

And you asked, me to stay over
I said I, already told you
I think that you should get some rest

I knew I loved you then, but you'd never know
'Cause I played it cool when I, was scared of letting go
I knew I needed you, but I never showed
But I wanna stay with you, 'til we're grey and old
Just say you won't let go
Just say you won't let go

I wake you up with some, breakfast in bed
I'll bring you coffee, with a kiss on your head
And I'll take the kids to school, wave them goodbye
And I'll thank my lucky stars, for that night

When you looked, over your shoulder
For a minute, I forget that I'm older
I wanna dance with you right now

And you look, as beautiful as ever
And I swear that every day you'll get better
You make me feel this way somehow

I'm so in love with you, and I hope you know
Darling your love is more, than worth its weight in gold
We've come so far my dear, look how we've grown
And I wanna stay with you, until we're grey and old

Just say you won't let go
Just say you won't let go!
Just say you won't let go
Just say you won't let go...

I wanna live with you, even when we're ghosts
'Cause you were always there for me, when I needed you most
I'm gonna love you, 'til my lungs give out
I promise till death we part, like in our vows
So I'll sing this song for you, everybody knows
'Cause now it's just you and me, until we're grey and old

Just say you won't let go
Just say you won't let go!
Just say you won't let go
Just say you won't
Just say you won't
Just say you won't...
