Broken

Picture This

I think I'm broken
Plug me out and plug me back in
And I'll start working
Reset my emotions and make me open
And bring me back to life
And my heart's frozen
Turn it on and off again if you really know it
Enter in the pin and take control and
And bring me back to life

'Cause I'd rather be broke in your hands than fixed by someone
else
And I know you're not worth it but I just can't help myself
And I'd rather be cold in your bed than warmed by someone else
I don't mean it, I don't mean to break myself

I think I'm more than
The thoughts I live and breathe that I've not chosen
Put electricity inside my bones, and
Bring me back to life
Like you did before

'Cause I'd rather be broke in your hands than fixed by someone
else
And I know you're not worth it but I just can't help myself
And I'd rather be cold in your bed than warmed by someone else
I don't mean it, I don't mean to break myself

I don't mean to hurt myself
But I don't want no one else
I don't mean to break myself
Am I broke in your eyes?
Will you hold me tonight?
If I'm broke [?]

'Cause I'd rather be broke in your hands than fixed by someone
else
And I know you're not worth it but I just can't help myself
And I'd rather be cold in your bed than warmed by someone else
I don't mean it, I don't mean to break myself

Am I broke in your eyes?
Will you hold me tonight?
If I'm broke [?]
