

Everything I Need

Picture This

What do you bottle it up for,
When you could just talk to me.
If you just opened up more,
I could put you at ease.

So tell me the worries that haunt you,
It's okay if you cry.
Your words will never leave this room,
I'll never be out of sight.

And tell me if you wanna talk it out,
It's okay if you wanna scream and shout.

Cos I am the light inside your door,
I am the footprints on the floor,
You're my never-ending dream,
You are everything I need.

I am the bed in which you lay,
I am the breath you blow away,
You're the place where I find peace,
You are everything I need.

Your tears'll form the notion,
That travels down my hall.
My door is always open,
All you have to do is call.

So why don't you come and sit by me,
And we can stay up all night.
And in the morning I'll be,
Still sitting by your side.

And tell me if you wanna talk it out,
It's okay if you wanna scream and shout.

Cos I am the light inside your door,
I am the footprints on the floor,
You're my never-ending dream,
You are everything I need.

I am the bed in which you lay,
I am the breath you blow away,
You're the place where I find peace,
You are everything I need.

You're all I need,
You're everything I need,
You're all I need.

I am the light inside your door,
I am the footprints on the floor,
You're my never-ending dream,
You are everything I need.

I am the bed in which you lay,
I am the breath you blow away,

You're the place where I find peace,
You are everything I need.

You're everything I need.
You're everything I need.
