

## More Than Just Tonight

Picture This

I don't know what it is but I hope that you find it  
Whatever it may be that you're looking for  
And I know that I caught feelings but I'm trying my best to hide it  
Just like all my clothes on your bedroom floor

And I, oh I, oh I  
Need more than just a hopeful night, oh I, oh I

I wanna be more than a regret in the mornin'  
I wanna be more than just tonight  
I wanna be more than just the one that you call when  
He's out of town and you need some light  
I wanna be more than just tonight

I don't what it is but you got me spellbound yeah  
I hope you're with the troll? that you're searching for  
And it messes with my head when you're calling me around here  
Is it more than just a lover that you're searching for?

And I, oh I, oh I  
Need more than just a hopeful night,  
Oh I, oh I

I wanna be more than a regret in the mornin'  
I wanna be more than just tonight  
I wanna be more than just the one that you call when  
He's out of town and you need some light  
I wanna be more than just tonight

More than just another late night text  
More than empty words and promises  
More than just another future ex, I, oh I

I wanna be more than a regret in the mornin'  
I wanna be more than just tonight  
I wanna be more than a regret in the mornin'  
I wanna be more than just tonight  
I wanna be more than just the one that you call when  
He's out of town and you need some light  
I wanna be more than just tonight
