

Battle Plan

Picture

Legions of warriors
Troops at my side
Life of the conqueror
Life of the pride

Death doesn't worry me
Send them to hell
Look at the masses flee
Funeral bells

We drive the force
Battle plan
Fight the wars
Battle plan
Change the laws
Battle plan
When I make my battle plan

Blood on the battlefields
Send out the fleets
Streets to be blocked and sealed
Blood on the streets

We drive the force
Battle plan
Fight the wars
Battle plan
Change the laws
Battle plan
When I make my battle plan

Straight on my line
Trust my ways
Its hollow shallow
Praying to die a victorious way

We drive the force
Battle plan
Fight the wars
Battle plan
Change the laws
Battle plan
When I make my battle plan
Battle plan
Battle plan
When
Battle plan
When I make my battle plan
