

(Yeah)
 (Yeah)
 Bending corners in a (oh yeah)
 (Bending corners)
 (Yeah, yeah, yeah)
 Bending corners in the rover hope I don't crash the rental
 Ice make her drop to her knees we at the temple
 Boone off the xan sleeping at the drive thru menu
 She addicted to the sossboy was all in you
 I don't want that hoe baby girl I'm calling you
 I don't want that hoe baby girl I'm calling you
 I don't want that hoe baby girl I'm calling you
 I don't want that hoe baby girl I'm calling you

She's afraid of the sossboy, what's stalling you?
 Ball like I'm Jackie Robinson I'm 42
 She gone pull up 30 minutes like I ordered food
 Stacking all this paper like I'm getting bored in school
 Ain't gone be no drama baby I got whores that's cool
 She wana be my baby mama yeah of course you do
 Man you know I'm on a mission can't abort too soon
 Man you know I got to get it
 That's what I'm bourne to do
 Bending corners in the rover hope I don't crash the rental
 Ice make her drop to her knees we at the temple
 Boone off the xan sleeping at the drive thru menu
 She addicted to the sossboy was all in you
 I don't want that hoe baby girl I'm calling you
 I don't want that hoe baby girl I'm calling you
 I don't want that hoe baby girl I'm calling you
 I don't want that hoe baby girl I'm calling you
 (I'm calling you)

Ain't no cap in my rap but these niggas lie
 Yeah my cousin in the trap he say this his life
 See that crackhead across the street we really outside
 See that yellow tape on the road do to gun fire
 It's hard to wake up some days but at least I try
 When I wake up everyday man some nigga died
 You gone lie to my face look me in my eyes
 Swear when a nigga keep it real
 I be looking so surprised (yeah)

Bending corners in the rover hope I don't crash the rental
 Ice make her drop to her knees we at the temple
 Boone off the xan sleeping at the drive thru menu
 She addicted to the sossboy was all in you I don't want that hoe baby girl I'm calling you
 I don't want that hoe baby girl I'm calling you
 I don't want that hoe baby girl I'm calling you
 I don't want that hoe baby girl I'm calling you (call)
 (Bending corners)
 (Bending corners)
