Pi'erre Bourne

Cardo got wings

You can't come back up in my life  
You're too late, I'm doing alright  
Who in the front, cruising in the fast lane  
And you're behind  
Rear-view, rear-view  
Rear-view, rear-view  
See you, see you  
Rear-view, rear-view

You might want to catch up now  
Fuck her good hand her a towel  
You know I'm plugged in no power  
I just blew some bands on some flowers  
She just wanna fuck for hours  
Nocturnal ho, no owls  
Balling on you hoes don't foul  
Money talk it sound like a crowd

You can't come back up in my life  
You're too late, I'm doing alright  
Who in the front, cruising in the fast lane  
And you're behind  
Rear-view, rear-view  
Rear-view, rear-view  
See you, see you  
Rear-view, rear-view
