In middle school I was kicking shit
I got hoes back home tryna talk me up
I ain't fall for no silly bitch
I told my main hoe "stay down"
So she can be up when I'm really rich
When you're a kid and you in your feelings
Yeah hop outta bed and just do the shit

I made this shit on my bedroom
Tryna tour in the Sprinter with headroom
I was down bad some nights in motel rooms
Now first-class seats with the legroom

Don't let none of that old shit affect you
Living life no regrets couldn't protect you
When you work at the top they expect you
And when you number one they respect you
They gonna feed off my energy (Okay)
Two bands for some Gucci accessories
I'm gonna get my first crib out in Beverly
In the Hills with the hoes talkin' bout memories

Watch me make it I thought you never see
Since a kid tried to steal my identity
And the gas that I blow from dispensaries
My life a movie documentary (Yeah, yeah)

We doing shows out in Budapest (Germany)
She want me play with her cooter cat
I got bear bricks in the living room
The Hermes is orange like turmeric
I done popped G6 after 6
But still ain't never sat inside a jet
She on her knees givin' tornado mouth
That's catastrophic neck (that's nasty)
Extended wheelbase fit for her seat
But it's only cuz it stretched (skrt, skrt)

I'm on a Sprinter, guns big as Percy (bow, bow, bow, bow)
I took her pills after her surgery (I took em all)
Yeah, I put Fred in the safe for emergencies (no cap)
