Ayy, smoke this blunt, I feel fine
Ayy, wake up, thank the lord one time (Cardo got wings)
Ayy, we ain't even home, we inside
Yeah, she givin' dome, free your mind
Justin Timberlake, love her 'til the end of time
Justin Timberlake, all these rivers you gon' cry
Justin Timberlake, love her 'til the end of time
Justin Timberlake, all these rivers you gon' cry

She gon' disappear, know it caught you by surprise
She gon' hit me up when she leave her other guy
She gon' hit me up when she leave her other guy
She gon' hit me up when she leave her other guy
I said "I know this ain't what you expect"
Yes, I reflect, and no regrets
Learned from my mistakes, I cannot miss no cheques
She got me late, we wound up having sex

Ayy, smoke this blunt, I feel fine
Ayy, wake up, thank the lord one time
Ayy, we ain't even home, we inside
Yeah, she givin' dome, free your mind
Justin Timberlake, love her 'til the end of time
Justin Timberlake, all these rivers you gon' cry (Cardo got wings)
Justin Timberlake, love her 'til the end of time
Justin Timberlake, all these rivers you gon' cry

Check my wings-wings-wings, ho, I'm flying
Tell me who is he? He not I
She don't know why she cannot find
No one like me, I'm one of a kind
Your replacement, your replacement
Your replacement, your replacement
Can't replace you

Ayy, smoke this blunt, I feel fine
Ayy, wake up, thank the lord one time (Cardo got wings)
Ayy, we ain't even home, we inside
Yeah, she givin' dome, free your mind
Justin Timberlake, love her 'til the end of time
Justin Timberlake, all these rivers you gon' cry
Justin Timberlake, love her 'til the end of time
Justin Timberlake, all these rivers you gon' cry
