Dispatch

Pi'erre Bourne

Yeah

Y'all gon' need some back-up, back-up, back-up, back-up, mayday
(Yo Pi'erre, you wanna come out here?)
They all finna fall down
They gon' need some back-up, back-up, back-up, back-up, mayday
Bullets finna fall down (Bullets finna fall down)
They gon' need some back-up, back-up, back-up, back-up, mayday
They cannot run now (They cannot run now)

Pull up like a hundred strong (Pull up like a hundred)
Pulled up with like thirty sticks (Pull up with like thirty)
Pulled up with like fifty Glocks (Pulled up with like fifty)
Twenty-five Uzis, know we goin' stupid (Yeah, bitch)
Strapped up in this bitch, better not move stupid (Nah, bitch)
(Yo Pi'erre, you wanna come out here?)
Knock your head off, is you fuckin' stupid? (Is you fuckin' stupid?)
Strapped up in this bitch, you know how we do shit (You know how we do shit)
Shoot that bitch up right now, you know how we do shit (You know how we do t
his)
.38 Special, leave 12 clueless (Clueless)
(Yo Pi'erre, you wanna come out here?)
Knock a nigga face off, that's what we doin' (What we doin')
Money, drop that shit, know we pop that shit (Know we pop that shit)
He an opposite, know we pop that shit (Know we pop that shit)
Pull up on your bitch in that big white Benz (Big white Benz)
Roll the window down, know she hoppin' in (Know she hoppin' in)
Two guns on my side, call them Glocks the twins (Call them Glocks the twins)
Nigga try to pop, know we pop that shit (Know we pop that shit)
Stop that pussy shit, nigga, stop that shit (Stop that shit)
Got your bitch in the spot, pussy poppin' shit (Pussy poppin' shit)
Yeah (Yeah), haha
(Yo Pi'erre, you wanna come out here?)
She keep tryna suck me up, bitch, stop that shit (Yeah)
Pass her to the clique after I'm done with that bitch (After I'm done)
You know where I'm at, I'm in Zone 6 (I'm in the bricks, ho)
Way these niggas rob, they will take your shit (They will take your shit)
(Yo Pi'erre, you wanna come out here?)
You wasn't built for it, don't come in my 'partment (Come in my 'partment)
Don't be talkin' 'bout it if you ain't built for that shit (You ain't built
for that shit)
When we pull up on you, know we spin that shit (Know we spin that shit)
You ain't got no partner, you ain't got no back-up (You ain't got no back-
up)
You ain't got no guns and you tryna act up

Y'all gon' need some back-up, back-up, back-up, back-up, mayday
They all finna fall down (Yeah, yeah)
They gon' need some back-up, back-up, back-up, back-up, mayday
Bullets finna fall down (Bullets finna fall down)
They gon' need some back-up, back-up, back-up, back-up, mayday (Mayday)
(Yo Pi'erre, you wanna come out here?)
They cannot run now (They cannot run now)

Ah, ah (Woop, woop), back up (Yeah)
A nigga gon' need some help with me, you know how I act up (You know how I d
o)

Nigga know what's up with Baby, he pull up, make it rain, nigga (Oh that's what's up)
Nigga know ain't no bluff with Baby, I pull out, I'ma bang, nigga (Let's go)
(Yo Pi'erre, you wanna come out here?)
And I ain't tryna mingle with none of these niggas, I don't wanna hang with you (Uh-uh)
You can give me your brain, that's an even exchange
I'ma swap out my chain with you (Yeah)
Fuckin' with me, that nigga a roach, I'm ready to step on a nigga (Yeah, I'm)
Tryna stand over a nigga (Huh?)
But you know I didn't go after cheddar (Yeah)
I just did me a show and then hit me a ho, I was holdin' the pole while I hit (Yeah, yeah)
'Bout to go to New York, but before, gotta stop and go driving for both of my niggas (Uh-huh)
I went through it before, show my diamonds and gold every time that I pose for a picture (Four)
Nigga fuckin' with PDE or BDB ENT, shit

Y'all gon' need some back-up, back-up, back-up, back-
up, mayday (I'm talkin' 'bout like ASAP, like, you know)
They all finna fall down (Like right now, like yesterday)
They gon' need some back-up, back-up, back-up, back-
up, mayday (Quickly, expeditiously)
Bullets finna fall down (Bullets finna fall down)
They gon' need some back-up, back-up, back-up, back-up, mayday (Baby)
"Yo Pi'erre, you wanna come out here?"
They cannot run now (Let's go)
