Whoa, whoa, whoa, whoa
Look at my eyes, you tell me that I'm wrong
Deep down you know I'm right, (yeah, yeah, yeah)
Thick ass hoe and she so fine
Wanna be a part of my life
She the main bitch not my side

I face the backwoods
No pussy never that good, yeah
I can't give up on my funds for a hoe that's playing (she playin')
Any problem I had, I faced it
And every dream I got, I'm chasing
I'm surprised they don't know my name is
Cuz we up top right now, I'm they favorite

Fronto mixed with green, it's amazing
You ain't got swag lil bro it's no shame in it
Piles of cash put my face in it
I can tell in they heart they got hate in it

I'm a monster, no Nicki Minaj
Making paper, just me and my squad
Trying to get to the top and beyond
At saks they treat me like a god
Just a kid tryna beat all the odds
Wouldn't be here without my pops
He support everything that I dropped
He just want to see me with the stars, boy

It don't take take much to get me motivated, I was oh so broke
They was callin' me back in high school and now I got they hoes soaked
Called the jeweler up, need a chain boy and that hoe gone choke
No backwood, he a pussy boy, he don't want no smoke

Shout out my family, some ain't blood, but I'm still gon' love em
And some people that stabbed my back and I still don't trust em (not at all, not at all)
If they speaking on you in a bad way, I wouldn't discuss it (don't talk about me)
And it's sad I ain't close to my family, I still wanna hug em (Let's go, let's go)

Look at my eyes, you tell me that I'm wrong
Deep down you know I'm right, (yeah, yeah, yeah)
Thick ass hoe and she so fine
Wanna be a part of my life
She the main bitch not my side
I face the backwoods
No pussy never that good, yeah
I can't give up on my funds for a hoe that's playing (she playin')
