Pi'erre Bourne

Yo, Pi'erre, you wanna come out here?

Girl, what you trippin' for? You actin' different, oh  
I just threw some ones on this lil' stripper pole  
I just love my money 'cause that shit is for sure  
I just love my money 'cause that shit is for sure

She need some space, baby, let's go to Mars  
Somewhere real far  
Jupiter, Saturn, that's ring from my heart  
Girl, you're my calendar, love you tomorrow  
We was in mansions playin' Mario Kart  
Racin' your love, girl, I will never park  
Rollin' 'Woods up with my dawgs, yeah, they bark  
Came a long way from Walmart, yeah, shop carts  
Just me, my mama, yeah, and my Poptarts  
Pray I'm never put back in a cop car  
When you see 12, it's a race, on your mark  
Get set, go (Hey)  
Get your dough  
Stay ten toes

On me (Hey), don't change (Hey)  
On me (Hey), don't change (Hey)  
For me (Hey), don't change (Hey)  
On me (Hey), don't change (Hey)  
For me (Hey), don't change (Yeah)  
On me (Hey), don't change (Yeah)  
For me (Yeah), don't change (Yeah)  
On me (Hey)

Tryna do better than my last  
When my life movin' too fast  
Runnin' up the money, never lack  
Niggas switched on the drill, we laughed  
Made a million off of rap  
Half a million on the Skittle  
Wah-wah, all of them pillows  
'Cause my money long like a limo  
Stretch his ass just like a widow  
Y'all say the same thing like ditto  
Hope my money, don't lose signal  
Love memory, I love your mental

Why you gotta be so judgmental?  
Grindin' for all this shit I been through  
Blew up off my own instrumental  
Copy, I'm influential

Girl, what you trippin' for? You actin' different, oh  
I just threw some ones on this lil' stripper pole
