Shoot at your car door
Shout out to Cardo

You just blew it
Damn, you ruined
I'm improving
Found my solution
Drive you crazy, institution
Smoking daily, I can't stop polluting

Intercourse
Yeah, she wanna have intercourse, yeah
Yeah, I'm all aboard
Yeah, I gotta get her wet for sure, yeah
Baby, do it, go reverse, go reverse
Baby, do it, go reverse, go reverse
Baby, do it, go reverse, go reverse
Baby, do it, go reverse, go reverse

Freak on me, don't be scared (Okay)
She's afraid, I don't care
Feel my pain, take you there
Never change, man, I swear
'Cause a real one so hard to find
Digging for your lovin' mine
I ain't tryna waste your time
My Rollie don't tick, it's fine
'Cause a real one so hard to find
Digging for your lovin' mine
I ain't tryna waste your time

Intercourse
Yeah, she wanna have intercourse, yeah
Yeah, I'm all aboard
Yeah, I gotta get her wet for sure, yeah
Baby, do it, go reverse, go reverse
Baby, do it, go reverse, go reverse
Baby, do it, go reverse, go reverse
Baby, do it, go reverse, go reverse
