No v6 vroom vroom  
Pull up to valet hold these keys bitch  
Swing doors open 24  
Do you need a brick  
Had a funny feeling she hungry told her eat a dick  
Had a funny feeling he was 12 so I made a switch  
Had a funny feeling in the trenches had to blow the blick

Had a funny feeling

Stackin' my bread like a fortress  
Niggas want beef like boys, ayy  
Sound like a bit like your tense  
She ride a bike, need foreign pants  
She too fly like foreign jets  
Suck on my dick like the floor's wet  
ring like force whip  
Sound like I'm hard, need more head  
Ball like  
My bitch a ref, I look like E  
, smokin' the tree  
Niggas start rattin', leave the cheese  
See these  
She get tragic, go to believe  
I'm from farms, 0-3-3, what?  
Queens, get to my knee, what?  
Young nigga sent me a fish  
, nigga be switched

Why y'all mention? Why you be bitch?  
Count my numbers, count my dishes  
Pull my , wash my dishes  
Got a genie, I got my wishes  
I'm in the hood, she get vicious  
You don't know why I'm vicious

Never take my kindness for weakness  
Real gas bp spill no cheap shit  
V12 wear your seat belt  
No v6 vroom vroom  
Pull up to valet hold these keys bitch  
Swing doors open 24  
Do you need a brick  
Had a funny feeling she hungry told her eat a dick
