

Yo, Pi'erre, you wanna come out here?

Lame niggas everywhere, do you see this?  
I feel like Ripley's, dawg, wouldn't believe this  
C-notes everywhere, I just see shit  
C-notes everywhere, woah, I just see shit

Man, I pray I don't go  
Bitches do my laundry for me so I never fold  
Niggas say anything 'bout me, lies told  
Gossipin' like bitches on The Shade Room, that's a no  
When I first moved to the A, I had no home  
Just me and my Escalade, dawg, that was my home  
Me and my friends found a place to stay and that was home  
Same niggas betrayed me, anyway, y'all not my holmes  
Man, I did this on my own  
Ooh, SossHouse

Man, these lame niggas everywhere, do you see this?  
I feel like Ripley's, dawg, wouldn't believe this (Yo, Pi'erre, you wanna come out here?)  
C-notes everywhere, I just see shit

Ayy, fuck what they say, I count my money alone  
Yeah, my cousins from Belize, I gave 'em all my VLONE, ayy  
Yeah, it's only right that I put my family on, ayy  
Rest in peace, granny, 'bout to get a Grammy, yeah, Miss Jones  
I went platinum again, let's put the plaque up in your home  
I'ma keep stackin' this dough 'til I can't stack this shit no more, ayy  
Used to run the block with my bros, 12 years old  
I ain't know no better, I just wanted to be grown

Man, these lame niggas everywhere, do you see this?  
I feel like Ripley's, dawg, wouldn't believe this  
C-notes everywhere, I just see shit
