Go into the church Sunday, after the strip club
I'm gon' keep living like this, can't switch up
We ain't even tripping 'bout ya'll niggas, cause we up
(Nigga we up)

Everybody act funny when you coming up
I ain't get there yet, these hoes talk to much
Moved out my crib cause the got free rent
Fuck that lil' hoe then I'm gonna repent
She bad as fuck, please forgive me for my sins
Can't believe I'm here, we was just outside like a fence
