I treat this hoe like a muhfucking rental
Bitches don't know all the shit that I done been through
That's why I count my money when I finish you
I caught my last hoe in my stash (Ay)
She was fine as hell, that's why it's sad (Damn)
I bought a new bag to pack her bags
You know I had to leave her ass some swag

She thought I was tricking on her ass
