

Love Ballad (Don't Fall In Love Again)

Pi'erre Bourne

I knew this day would come (Eee, eee)
I just really wanna taste it
Please don't fall in love again
Baby
Please don't fall in love again

She got that bomb, no Hiroshima (No Hiroshima)
She don't do bongos, she don't need no reefer (Don't need no reefer)
She love my songs, so I gotta keep her (I gotta keep her)
Got her rolling strong, yeah, that Wiz Khalifa (That Wiz Khalifa)
Ain't nothing wrong with tryna please you (I'm tryna please you)
Ain't nothing wrong with tryna please you (I'm tryna please you)
I need all your pussy juice in my features (I'm tryna please you)
You can tell all your friends, it's no secret (I'm tryna please you)

Say she wanna fuck with P, told her come and fuck with me
Say she wanna fuck with P, told her come and fuck with me
Say she wanna fuck with P, told her come and fuck with me
Say she wanna fuck with P, told her come and fuck with me

Baby, you know I still love you (I still love you)
Please don't fall in love again (Please don't fall in love again)
Please don't fall in love again (I don't wanna do that shit again, oh)
Baby, you know I still love you (I still love you)
Please don't fall in love again (Please don't fall in love again)
Please don't fall in love again (I don't wanna do that shit again, oh)

Why would I fall in love with a ho? (With a ho)
Last bitch I fell in love with took my soul (Took my soul)
She left me in the dark, I'm light again (I'm light again)
She wanna be a part of my life again (Hey)
That ain't ok, that ain't ok (That ain't ok)
Where was you at the other day? (Where was you at the other day?)
She say she really need a play (She need a play)
But I really need the money in my safe (Hey)

Say she wanna fuck with P, told her come and fuck with me
Say she wanna fuck with P, told her come and fuck with me
Say she wanna fuck with P, told her come and fuck with me
Say she wanna fuck with P, told her come and fuck with me

Baby, you know I still love you (I still love you)
Please don't fall in love again (Please don't fall in love again)
Please don't fall in love again (I don't wanna do that shit again, oh)
Baby, you know I still love you (I still love you)
Please don't fall in love again (Please don't fall in love again)
Please don't fall in love again (I don't wanna do that shit again, oh)

Baby, you know I still love you
Please don't fall in love again
Please don't fall in love again
Baby, you know I still love you
Please don't fall in love again
Please don't fall in love again
