

Love Reeks

Pi'erre Bourne

And they say love don't stink
Losing my mind
Girl I don't wanna think
Thirst in yo love
Girl I don't wanna drink
Gotta get bands like Nsync or Backstreet
Diamonds is dancing
Like ice skating rinks
They scream my name
At the same time like jenks
I got that pendent
So she wanna link Love her like fourteen
But it was two weak

Ball when I'm home
But I'm am no athlete (Wait)
I'm in my zone
Man these girls obsolete (Wait)
You know my fly talk
Just like parakeet
(Wait)
Shawty keep sweating me
I feel like Keith
(Wait)
Smoking woods Sosa
Just call me chief weed
(Wait)
If yo friend switch up for money
That's greed
(Wait)
I just took yo girl out
That's a good deed
(Wait)
Like DJ Khaled
Girl I got the keys

And they say love don't stink
Losing my mind
Girl I don't wanna think
Thirst in yo love
Girl I don't wanna drink
Gotta get bands like Nsync or Backstreet
Diamonds is dancing
Like ice skating rinks
They scream my name
At the same time like jenks
I got that pendent
So she wanna link
Love her like fourteen
But it was two weak

Aye the racks is digital
Ain't nun but zeros in yo calculator
This money make her wanna
Sit on my dick
Don't be no couch potato
I got cash for later

I don't ever pay her
(Aye)
Yeah I stack and save
I keep it safe
Like brinks my name
Yeah this weed I must
Just like in God we trust
It all keep me sane
In my top pick
She let me bust when she suck
Got good brain
Money talks like Stephen A. Smith
So that's like everyday
Fuck her on the tile floor
She put her iPhone away

And they say love don't stink
Losing my mind
Girl I don't wanna think
Thirst in yo love
Girl I don't wanna drink
Gotta get bands like Nsync or Backstreet
Diamonds is dancing
Like ice skating rinks
They scream my name
At the same time like jenks
I got that pendent
So she wanna link
Love her like fourteen
But it was two weak

And they say love don't stink

Thirst in yo love
