Pi'erre Bourne

Forever

Girl, you got me waiting on your love forever  
You can keep me waiting on your love forever  
Girl, you got me waiting on your love forever  
Yo, yo, Pi'erre, you wanna come out here?

Forever

Girl, you got me waiting on your love forever  
You can keep me waiting on your love forever  
Girl, you got me waiting on your love forever  
Forever

Girl, you got me waiting on your love forever  
Girl, you got me waiting on your love forever  
Girl, you got me waiting on your love forever

I saw you were perfect, yeah, I had to love you then  
I planned to be with you, yeah, 'til forever ends  
You didn't understand, not hearing you every day  
So much to think about, but you stay in my way  
So much to think about, that's why she give me brain  
But she gon' start missing me when she Uber away  
My new bitch pulled up in a 'Rari, yeah, that's my bae  
I need a bitch to motivate me to get my cake  
I told her I'ma change, yeah, I told her

Forever

Girl, you got me waiting on your love forever  
You can keep me waiting on your love forever  
Girl, you got me waiting on your love forever  
(Yo, Pi'erre, you wanna come out here?)

Forever

Girl, you got me waiting on your love forever  
Girl, you got me waiting on your love forever  
Girl, you got me waiting on your love forever

You were mine, I'm yours

Now I'm rich, you're poor

Got the wave like shore

Hoes have sex

Like I wonder what life would be like if I left you?

I wonder what life would be like if I kept you?

I told her no feelings, just rolled up my feelings

So high on the ceiling, I can't come down

All of these bitches, they just want a nigga

To buy them expensive and fly them out

Man, these hoes been doing this...

Forever

Girl, you got me waiting on your love forever  
You can keep me waiting on your love forever  
Girl, you got me waiting on your love forever  
Forever

Girl, you got me waiting on your love forever

Girl, you got me waiting on your love forever

Girl, you got me waiting on your love forever

Yo, Pi'erre, you wanna come out here?

Damn, I'm lost in the sauce  
Ah shit
