

# Moving Too Fast

Pi'erre Bourne

I hop in the booth with my gym shoes  
I'm bout to run me a lap (ouu)  
She with a nigga playing peekaboo  
You didn't see none of that (ouu)  
All of my money is colorful  
I thought we doing some math (ay)  
She wanna fuck in my bedroom  
Baby you moving to fast (ouu)  
Took her to the hotel room  
She started throwing it back (ouu)  
Fuck on the bitch she like follow me back  
That's worser then calling you back (ouu)  
All of my money is all up in stacks  
I run it up yeah (ay)

Damn, damn, damn  
Brought yo hoe to the palace  
And I fuck that hoe in palace  
I was somewhere in cali  
Smoking on the best from cali  
Got her pussy wet  
You know she dripping like my jewels  
Make her pop her pussy like my tool  
That what I do yeah  
I'm the truth and she knowing what I do (yeah)  
Fuck her so good I send that bitch right back to you  
Another bitch done play that peekaboo  
Never see her again  
Never see her again  
At times she might see me I got her friend  
Gives two fucks about a bitch when she got friends (when she got friends)  
Kick it with the hoes call them bitches twins  
She love a slimmer I got it (I got it)  
Say she wanna share me with her friends  
I love when two hoes at it they go in  
I always got to put my two cents in  
I'm in there
